

Dear Parent,

We have, together, stood up to the challenges and diverse difficulties faced due to the pandemic caused by COVID 19. It is indeed remarkable times and through cooperation by all stakeholders, we have come this far. We reiterate the cooperative stand we have taken from the inception of the lockdown.

Your representation towards concession in the school fees has been considered before and having apprised ourselves of the financial difficulties many of you are facing, there has been a one-time reduction of 20% in tuition fees and 20% in session fees for the academic year 2020-21, the details of which are attached herewith. The revised fees structure as mentioned shall be reviewed going forward.
